

### ICE- SKATING PROGRAM

Dear Parents,

We are pleased to offer a Friday afternoon skating program. This begins the first week of November and is for children in Reception and up. We skate on Friday afternoons at the skating rink in Wislepark, Worb (see map). All children who are participating in skating will be taken with the bus to the skating rink after eating lunch. They will be taken in two groups. Please let Mrs. Flieler know if your child will not be participating as they must be collected from the school at lunchtime.

**We kindly ask that only children who are enrolled in the Friday afternoon skating program participate. Public skating begins at 14.30.**

#### **Required Clothing**

All children **must wear a helmet**, gloves and waterproof clothing, preferably snow pants. Children bring their warm clothing, helmet, and skates to school in a bag, ready for the afternoon.

#### **At the Rink**

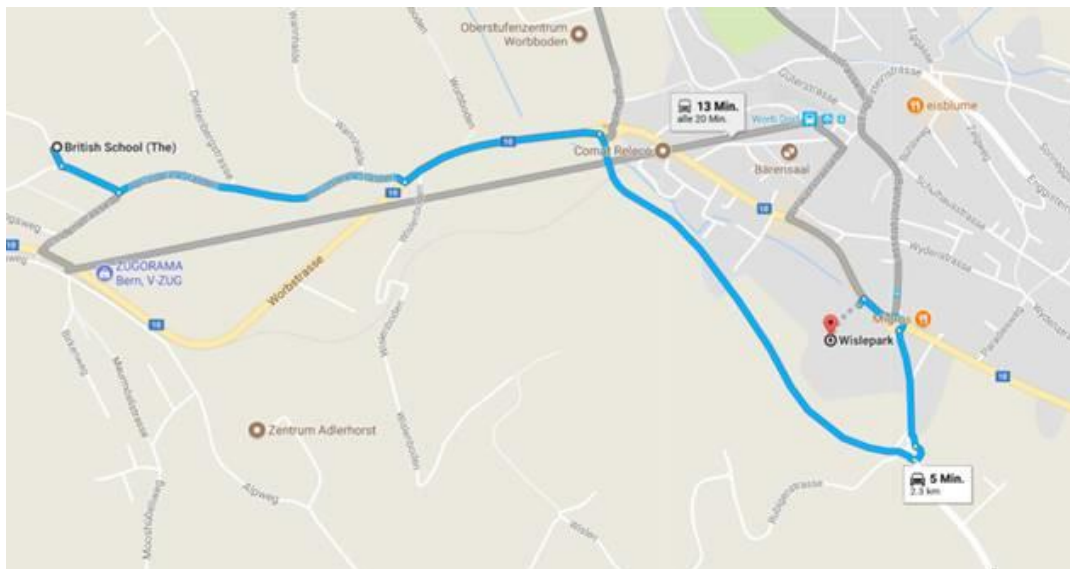

Once we arrive at the rink, children will change into their skates. We welcome parents at the rink to help fasten all the skates. **If you need to rent skates for your child please send CHF 5 and their shoe size to the class teacher.** The children will stay at the rink and will participate in an organized lesson. **All children must be picked up promptly at the rink by 14.45.**

Thank you for your support.
